## Date Range

1/1/2021

3/31/2021

The Bright & Early ND Quality Rating process is implemented during four cycles, referred to as cohorts. During the cohort, programs receive support from a Coach, engage in professional development opportunities, pinpoint their strengths and reach their quality goals! All programs participating in Bright & Early ND receive coaching, consultation or technical assistance from our partner in quality, Child Care Aware of ND.
